PRAYER

The following prayer was offered by Senator Fasano:

Dear Heavenly Father, we come before you with humbled hearts to once again thank you for this opportunity to be your servants. We thank you for your willingness to entrust in us the ability to make decisions on behalf of all Floridians. We thank you for the men and women who serve at home and abroad to protect this great nation that you have allowed us to call home.

As we begin deliberations this day on issues of vital importance to our constituents, we ask for your guidance and direction. The things we discuss and the decisions we make will impact millions of people beyond the confines of this chamber and the streets of this capital city. Please allow us to vote for what is right and what is good and not just for the expedience of the moment. We pray that what we do will have a positive impact on the lives of those who are proud to call themselves Floridians.

Finally, we pray for wisdom that can only come from you. Heavenly Father, we ask all of this in thy precious name. Amen.

4. ~~However,~~ Notwithstanding the fact that written notice has been furnished to the insurer, ~~any~~ payment ~~is~~ ~~shall not be deemed~~ overdue if ~~when~~ the insurer has reasonable proof ~~to establish~~ that the insurer is not responsible for the payment.

5. For the purpose of calculating the extent to which ~~any~~ benefits are overdue, payment shall be treated as being made on the date a draft or other valid instrument ~~that~~ ~~which~~ is equivalent to payment was placed in the United States mail in a properly addressed, postpaid envelope or, if not so posted, on the date of delivery.

6. This paragraph does not preclude or limit the ability of the insurer to assert that the claim was unrelated, was not medically necessary, or was unreasonable or that the amount of the charge was in excess of that permitted under, or in violation of, subsection (5). Such assertion ~~by the insurer~~ may be made at any time, including after payment of the claim or after the 30-day ~~time~~ period for payment set forth in this paragraph.

(c) Upon receiving notice of an accident that is potentially covered by personal injury protection benefits, the insurer must reserve \$5,000 of personal injury protection benefits for payment to physicians licensed under chapter 458 or chapter 459 or dentists licensed under chapter 466 who provide emergency services and care, as defined in s. 395.002(4), or who provide hospital inpatient care. The amount required to be held in reserve may be used only to pay claims from such physicians or dentists until 30 days after the date the insurer receives notice of the accident. After the 30-day period, any amount of the reserve for which the insurer has not received notice of ~~such claims~~ ~~a claim from a physician or dentist who provided emergency services and care or who provided hospital inpatient care~~ may then be used by the insurer to pay other claims. The time periods specified in paragraph (b) for ~~required~~ payment of personal injury protection benefits ~~are~~ ~~shall be~~ tolled for the period of time that an insurer is required ~~by this paragraph~~ to hold payment of a claim that is not from ~~such a physician or dentist who provided emergency services and care or who provided hospital inpatient care~~ to the extent that the personal injury protection benefits not held in reserve are insufficient to pay the claim. This paragraph does not require an insurer to establish a claim reserve for insurance accounting purposes.

(d) All overdue payments ~~shall~~ bear simple interest at the rate established under s. 55.03 or the rate established in the insurance contract, whichever is greater, for the year in which the payment became overdue, calculated from the date the insurer was furnished with written notice of the amount of covered loss. Interest ~~is~~ ~~shall be~~ due at the time payment of the overdue claim is made.

(e) The insurer of the owner of a motor vehicle shall pay personal injury protection benefits for:

1. Accidental bodily injury sustained in this state by the owner while occupying a motor vehicle, or while not an occupant of a self-propelled vehicle if the injury is caused by physical contact with a motor vehicle.

2. Accidental bodily injury sustained outside this state, but within the United States of America or its territories or possessions or Canada, by the owner while occupying the owner's motor vehicle.

3. Accidental bodily injury sustained by a relative of the owner residing in the same household, under the circumstances described in subparagraph 1. or subparagraph 2., ~~if provided~~ the relative at the time of the accident is domiciled in the owner's household and is not ~~himself or herself~~ the owner of a motor vehicle with respect to which security is required under ss. 627.730-627.7405.

4. Accidental bodily injury sustained in this state by any other person while occupying the owner's motor vehicle or, if a resident of this state, while not an occupant of a self-propelled vehicle; if the injury is caused by physical contact with such motor vehicle, ~~if provided~~ the injured person is not ~~himself or herself~~.

a. The owner of a motor vehicle with respect to which security is required under ss. 627.730-627.7405; or

b. Entitled to personal injury benefits from the insurer of the owner ~~or owners~~ of such a motor vehicle.

(f) If two or more insurers are liable ~~for paying to pay~~ personal injury protection benefits for the same injury to any one person, the maximum payable ~~is shall be~~ as specified in subsection (1), and ~~the any~~ insurer paying the benefits ~~is shall be~~ entitled to recover from each of the other insurers an equitable pro rata share of the benefits paid and expenses incurred in processing the claim.

(g) It is a violation of the insurance code for an insurer to fail to timely provide benefits as required by this section with such frequency as to constitute a general business practice.

(h) Benefits ~~are shall not be~~ due or payable to or on the behalf of an insured person if that person has committed, by a material act or omission, ~~any~~ insurance fraud relating to personal injury protection coverage under his or her policy, if the fraud is admitted to in a sworn statement by the insured or ~~if it is~~ established in a court of competent jurisdiction. Any insurance fraud ~~voids shall void~~ all coverage arising from the claim related to such fraud under the personal injury protection coverage of the insured person who committed the fraud, irrespective of whether a portion of the insured person's claim may be legitimate, and any benefits paid ~~before prior to~~ the discovery of the ~~insured person's~~ insurance fraud ~~is shall be~~ recoverable by the insurer ~~in its entirety~~ from the person who committed insurance fraud ~~in their entirety~~. The prevailing party is entitled to its costs and ~~attorney attorney's~~ fees in any action in which it prevails in an insurer's action to enforce its right of recovery under this paragraph.

(i) *If an insurer has a reasonable belief that a fraudulent insurance act, as defined in s. 626.989 or s. 817.234, has been committed, the insurer shall notify the claimant in writing within 30 days after submission of the claim that the claim is being investigated for suspected fraud and execute and provide to the insured and the office an affidavit under oath stating that there is a factual basis that there is a probability of fraud. The insurer has an additional 60 days, beginning at the end of the initial 30-day period, to conduct its fraud investigation. Notwithstanding subsection (10), no later than the 90th day after the submission of the claim, the insurer must deny the claim or pay the claim along with simple interest as provided in paragraph (d). All claims denied for suspected fraudulent insurance acts shall be reported to the Division of Insurance Fraud.*

(j) *An insurer shall create and maintain for each insured a log of personal injury protection benefits paid by the insurer on behalf of the insured. If litigation is commenced, the insurer shall provide to the insured, or an assignee of the insured, a copy of the log within 30 days after receiving a request for the log from the insured or the assignee.*

(5) CHARGES FOR TREATMENT OF INJURED PERSONS.—

~~(a) 1. A Any~~ physician, hospital, clinic, or other person or institution lawfully rendering treatment to an injured person for a bodily injury covered by personal injury protection insurance may charge the insurer and injured party only a reasonable amount pursuant to this section for the services and supplies rendered, and the insurer providing such coverage may pay for such charges directly to such person or institution lawfully rendering such treatment; if the insured receiving such treatment or his or her guardian has countersigned the properly completed invoice, bill, or claim form approved by the office upon which such charges are to be paid for as having actually been rendered, to the best knowledge of the insured or his or her guardian. ~~In no event,~~ However, ~~may~~ such a charge ~~may not exceed be in excess of~~ the amount the person or institution customarily charges for like services or supplies. ~~In determining~~ ~~With respect to a determination of~~ whether a charge for a particular service, treatment, or otherwise is reasonable, consideration may be given to evidence of usual and customary charges and payments accepted by the provider involved in the dispute, ~~and~~ reimbursement levels in the community and various federal and state medical fee schedules applicable to ~~motor vehicle automobile~~ and other insurance coverages, and other information relevant to the reasonableness of the reimbursement for the service, treatment, or supply.

~~1.2.~~ The insurer may limit reimbursement to 80 percent of the following schedule of maximum charges:

a. For emergency transport and treatment by providers licensed under chapter 401, 200 percent of Medicare.

b. For emergency services and care provided by a hospital licensed under chapter 395, 75 percent of the hospital's usual and customary charges.

c. For emergency services and care as defined by s. 395.002(9) provided in a facility licensed under chapter 395 rendered by a physician or dentist, and related hospital inpatient services rendered by a physician or dentist, the usual and customary charges in the community.

d. For hospital inpatient services, other than emergency services and care, 200 percent of the Medicare Part A prospective payment applicable to the specific hospital providing the inpatient services.

e. For hospital outpatient services, other than emergency services and care, 200 percent of the Medicare Part A Ambulatory Payment Classification for the specific hospital providing the outpatient services.

f. For all other medical services, supplies, and care, 200 percent of the allowable amount under:

(I) The participating physicians fee schedule of Medicare Part B, except as provided in sub-sub-subparagraphs (II) and (III).

(II) Medicare Part B, in the case of services, supplies, and care provided by ambulatory surgical centers and clinical laboratories.

(III) The Durable Medical Equipment Prosthetics/Orthotics and Supplies fee schedule of Medicare Part B, in the case of durable medical equipment.

However, if such services, supplies, or care is not reimbursable under Medicare Part B, as provided in this sub-subparagraph, the insurer may limit reimbursement to 80 percent of the maximum reimbursable allowance under workers' compensation, as determined under s. 440.13 and rules adopted thereunder which are in effect at the time such services, supplies, or care is provided. Services, supplies, or care that is not reimbursable under Medicare or workers' compensation is not required to be reimbursed by the insurer.

~~2.3.~~ For purposes of subparagraph 1. ~~2.~~, the applicable fee schedule or payment limitation under Medicare is the fee schedule or payment limitation in effect on January 1 of the year in which ~~at the time~~ the services, supplies, or care ~~is was~~ rendered and for the area in which such services, supplies, or care ~~is were~~ rendered, and the applicable fee schedule or payment limitation applies throughout the remainder of that year, notwithstanding any subsequent change made to the fee schedule or payment limitation, except that it may not be less than the allowable amount under the applicable ~~participating physicians~~ schedule of Medicare Part B for 2007 for medical services, supplies, and care subject to Medicare Part B.

~~3.4.~~ Subparagraph 1. ~~2.~~ does not allow the insurer to apply any limitation on the number of treatments or other utilization limits that apply under Medicare or workers' compensation. An insurer that applies the allowable payment limitations of subparagraph 1. ~~2.~~ must reimburse a provider who lawfully provided care or treatment under the scope of his or her license, regardless of whether such provider ~~is would be~~ entitled to reimbursement under Medicare due to restrictions or limitations on the types or discipline of health care providers who may be reimbursed for particular procedures or procedure codes.

~~4.5.~~ If an insurer limits payment as authorized by subparagraph 1. ~~2.~~, the person providing such services, supplies, or care may not bill or attempt to collect from the insured any amount in excess of such limits, except for amounts that are not covered by the insured's personal injury protection coverage due to the coinsurance amount or maximum policy limits.

5. *Effective July 1, 2012, an insurer may limit payment as authorized by this paragraph only if the insurance policy includes a notice at the time of issuance or renewal that the insurer may limit payment pursuant to the schedule of charges specified in this paragraph. A policy form approved by the office satisfies this requirement. If a provider submits a charge for an amount less than the amount allowed under subparagraph 1., the insurer may pay the amount of the charge submitted.*

(b)1. An insurer or insured is not required to pay a claim or charges:

a. Made by a broker or by a person making a claim on behalf of a broker;

b. For any service or treatment that was not lawful at the time rendered;

c. To any person who knowingly submits a false or misleading statement relating to the claim or charges;

d. With respect to a bill or statement that does not substantially meet the applicable requirements of paragraph (d);

e. For any treatment or service that is upcoded, or that is unbundled when such treatment or services should be bundled, in accordance with paragraph (d). To facilitate prompt payment of lawful services, an insurer may change codes that it determines to have been improperly or incorrectly upcoded or unbundled, and may make payment based on the changed codes, without affecting the right of the provider to dispute the change by the insurer, *if, provided that* before doing so, the insurer *contacts must contact* the health care provider and *discusses discuss* the reasons for the insurer's change and the health care provider's reason for the coding, or *makes make* a reasonable good faith effort to do so, as documented in the insurer's file; and

f. For medical services or treatment billed by a physician and not provided in a hospital unless such services are rendered by the physician or are incident to his or her professional services and are included on the physician's bill, including documentation verifying that the physician is responsible for the medical services that were rendered and billed.

2. The Department of Health, in consultation with the appropriate professional licensing boards, shall adopt, by rule, a list of diagnostic tests deemed not to be medically necessary for use in the treatment of persons sustaining bodily injury covered by personal injury protection benefits under this section. The ~~initial list shall be adopted by January 1, 2004, and~~ shall be revised from time to time as determined by the Department of Health, in consultation with the respective professional licensing boards. Inclusion of a test on the list of ~~invalid diagnostic tests~~ shall be based on lack of demonstrated medical value and a level of general acceptance by the relevant provider community and ~~may shall~~ not be dependent for results entirely upon subjective patient response. Notwithstanding its inclusion on a fee schedule in this subsection, an insurer or insured is not required to pay any charges or reimburse claims for ~~an any~~ invalid diagnostic test as determined by the Department of Health.

~~(c)1.~~ With respect to any treatment or service, other than medical services billed by a hospital or other provider for emergency services *and care as defined in s. 395.002* or inpatient services rendered at a hospital-owned facility, the statement of charges must be furnished to the insurer by the provider and may not include, and the insurer is not required to pay, charges for treatment or services rendered more than 35 days before the postmark date or electronic transmission date of the statement, except for past due amounts previously billed on a timely basis under this paragraph, and except that, if the provider submits to the insurer a notice of initiation of treatment within 21 days after its first examination or treatment of the claimant, the statement may include charges for treatment or services rendered up to, but not more than, 75 days before the postmark date of the statement. The injured party is not liable for, and the provider ~~may shall~~ not bill the injured party for, charges that are unpaid because of the provider's failure to comply with this paragraph. Any agreement requiring the injured person or insured to pay for such charges is unenforceable.

~~1.2.~~ If, ~~however,~~ the insured fails to furnish the provider with the correct name and address of the insured's personal injury protection insurer, the provider has 35 days from the date the provider obtains the correct information to furnish the insurer with a statement of the charges. The insurer is not required to pay for such charges unless the provider includes with the statement documentary evidence that was provided by the insured during the 35-day period demonstrating that the provider reasonably relied on erroneous information from the insured and either:

a. A denial letter from the incorrect insurer; or

b. Proof of mailing, which may include an affidavit under penalty of perjury, reflecting timely mailing to the incorrect address or insurer.

~~2.3.~~ For emergency services and care ~~as defined in s. 395.002~~ rendered in a hospital emergency department or for transport and treatment rendered by an ambulance provider licensed pursuant to part III of chapter 401, the provider is not required to furnish the statement of charges within the time periods established by this paragraph; and the insurer ~~is shall~~ not be considered to have been furnished with notice of the amount of covered loss for purposes of paragraph (4)(b) until it receives a statement complying with paragraph (d), or copy thereof, which specifically identifies the place of service to be a hospital emergency department or an ambulance in accordance with billing standards recognized by the *federal Centers for Medicare and Medicaid Services Health Care Finance Administration*.

~~3.4.~~ Each notice of the insured's rights under s. 627.7401 must include the following statement *in at least 12-point type in type no smaller than 12 points*:

BILLING REQUIREMENTS.—Florida ~~law provides~~ *Statutes provide* that with respect to any treatment or services, other than certain hospital and emergency services, the statement of charges furnished to the insurer by the provider may not include, and the insurer and the injured party are not required to pay, charges for treatment or services rendered more than 35 days before the postmark date of the statement, except for past due amounts previously billed on a timely basis, and except that, if the provider submits to the insurer a notice of initiation of treatment within 21 days after its first examination or treatment of the claimant, the statement may include charges for treatment or services rendered up to, but not more than, 75 days before the postmark date of the statement.

(d) All statements and bills for medical services rendered by ~~a any~~ physician, hospital, clinic, or other person or institution shall be submitted to the insurer on a properly completed Centers for Medicare and Medicaid Services (CMS) 1500 form, UB 92 forms, or any other standard form approved by the office or adopted by the commission for purposes of this paragraph. All billings for such services rendered by providers ~~must shall~~, to the extent applicable, follow the Physicians' Current Procedural Terminology (CPT) or Healthcare Correct Procedural Coding System (HCPCS), or ICD-9 in effect for the year in which services are rendered and comply with the ~~Centers for Medicare and Medicaid Services (CMS) 1500 form instructions, and the American Medical Association Current Procedural Terminology (CPT) Editorial Panel, and the Healthcare Correct Procedural Coding System (HCPCS).~~ All providers, other than hospitals, ~~must shall~~ include on the applicable claim form the professional license number of the provider in the line or space provided for "Signature of Physician or Supplier, Including Degrees or Credentials." In determining compliance with applicable CPT and HCPCS coding, guidance shall be provided by the Physicians' Current Procedural Terminology (CPT) or the Healthcare Correct Procedural Coding System (HCPCS) in effect for the year in which services were rendered, the Office of the Inspector General (~~OIG~~), Physicians Compliance Guidelines, and other authoritative treatises designated by rule by the Agency for Health Care Administration. ~~A No~~ statement of medical services may ~~not~~ include charges for medical services of a person or entity that performed such services without possessing the valid licenses required to perform such services. For purposes of paragraph (4)(b), an insurer ~~is shall~~ not be considered to have been furnished with notice of the amount of covered loss or medical bills due unless the statements or bills comply with this paragraph; and ~~unless the statements or bills~~ are properly completed in their entirety as to all material provisions, with all relevant information being provided therein.

(e)1. At the initial treatment or service provided, each physician, other licensed professional, clinic, or other medical institution providing medical services upon which a claim for personal injury protection benefits is based shall require an insured person, or his or her guardian, to execute a disclosure and acknowledgment form, which reflects at a minimum that:

a. The insured, or his or her guardian, must countersign the form attesting to the fact that the services set forth therein were actually rendered;

b. The insured, or his or her guardian, has both the right and affirmative duty to confirm that the services were actually rendered;

c. The insured, or his or her guardian, was not solicited by any person to seek any services from the medical provider;

d. The physician, other licensed professional, clinic, or other medical institution rendering services for which payment is being claimed explained the services to the insured or his or her guardian; and

e. If the insured notifies the insurer in writing of a billing error, the insured may be entitled to a certain percentage of a reduction in the amounts paid by the insured's motor vehicle insurer.

2. The physician, other licensed professional, clinic, or other medical institution rendering services for which payment is being claimed has the affirmative duty to explain the services rendered to the insured, or his or her guardian, so that the insured, or his or her guardian, countersigns the form with informed consent.

3. Countersignature by the insured, or his or her guardian, is not required for the reading of diagnostic tests or other services that are of such a nature that they are not required to be performed in the presence of the insured.

4. The licensed medical professional rendering treatment for which payment is being claimed must sign, by his or her own hand, the form complying with this paragraph.

5. The original completed disclosure and acknowledgment form shall be furnished to the insurer pursuant to paragraph (4)(b) and may not be electronically furnished.

6. ~~This disclosure and acknowledgment form is not required for services billed by a provider for emergency services as defined in s. 395.002, for emergency services and care as defined in s. 395.002 rendered in a hospital emergency department, or for transport and treatment rendered by an ambulance provider licensed pursuant to part III of chapter 401.~~

7. The Financial Services Commission shall adopt, by rule, a standard disclosure and acknowledgment form ~~to that shall be used to fulfill the requirements of this paragraph, effective 90 days after such form is adopted and becomes final. The commission shall adopt a proposed rule by October 1, 2003. Until the rule is final, the provider may use a form of its own which otherwise complies with the requirements of this paragraph.~~

8. As used in this paragraph, the term "countersign" or "countersignature" ~~"countersigned"~~ means a second or verifying signature, as on a previously signed document, and is not satisfied by the statement "signature on file" or any similar statement.

9. The requirements of this paragraph apply only with respect to the initial treatment or service of the insured by a provider. For subsequent treatments or service, the provider must maintain a patient log signed by the patient, in chronological order by date of service, ~~which that~~ is consistent with the services being rendered to the patient as claimed. ~~The requirement to maintain requirements of this subparagraph for maintaining~~ a patient log signed by the patient may be met by a hospital that maintains medical records as required by s. 395.3025 and applicable rules and makes such records available to the insurer upon request.

(f) Upon written notification by any person, an insurer shall investigate any claim of improper billing by a physician or other medical provider. The insurer shall determine if the insured was properly billed for only those services and treatments that the insured actually received. If the insurer determines that the insured has been improperly billed, the insurer shall notify the insured, the person making the written notification, and the provider of its findings and ~~shall~~ reduce the amount of payment to the provider by the amount determined to be improperly billed. If a reduction is made due to a ~~such~~ written notification by any person, the insurer shall pay to the person 20 percent of the amount of the reduction, up to \$500. If the provider is arrested due to the improper billing, ~~then~~ the insurer shall pay to the person 40 percent of the amount of the reduction, up to \$500.

(g) An insurer may not systematically downcode with the intent to deny reimbursement otherwise due. Such action constitutes a material misrepresentation under s. 626.9541(1)(i)2.

(h) *As provided in s. 400.9905, an entity excluded from the definition of a clinic shall be deemed a clinic and must be licensed under part X of chapter 400 in order to receive reimbursement under ss. 627.730-627.7405. However, this licensing requirement does not apply to:*

1. *An entity wholly owned by a physician licensed under chapter 458 or chapter 459, or by the physician and the spouse, parent, child, or sibling of the physician;*

(b) Every physician, hospital, clinic, or other medical institution providing, before or after bodily injury upon which a claim for personal injury protection insurance benefits is based, any products, services, or accommodations in relation to that or any other injury, or in relation to a condition claimed to be connected with that or any other injury, shall, if requested to do so by the insurer against whom the claim has been made, furnish ~~forthwith~~ a written report of the history, condition, treatment, dates, and costs of such treatment of the injured person and why the items identified by the insurer were reasonable in amount and medically necessary, together with a sworn statement that the treatment or services rendered were reasonable and necessary with respect to the bodily injury sustained and identifying which portion of the expenses for such treatment or services was incurred as a result of such bodily injury, and produce ~~forthwith,~~ and ~~allow permit~~ the inspection and copying of, his or her or its records regarding such history, condition, treatment, dates, and costs of treatment ~~if, provided that this does shall~~ not limit the introduction of evidence at trial. The person requesting such records and such sworn statement shall pay all reasonable costs connected therewith. If an insurer makes a written request for documentation or information under this paragraph within 30 days after having received notice of the amount of a covered loss under paragraph (4)(a), the amount or the partial amount ~~that which~~ is the subject of the insurer's inquiry ~~is shall become~~ overdue if the insurer does not pay in accordance with paragraph (4)(b) or within 10 days after the insurer's receipt of the requested documentation or information, whichever occurs later. ~~As used in For purposes of~~ this paragraph, the term "receipt" includes, but is not limited to, inspection and copying pursuant to this paragraph. ~~An Any~~ insurer that requests documentation or information pertaining to reasonableness of charges or medical necessity under this paragraph without a reasonable basis for such requests as a general business practice is engaging in an unfair trade practice under the insurance code.

(c) In the event of ~~a any~~ dispute regarding an insurer's right to discovery of facts under this section, the insurer may petition a court of competent jurisdiction to enter an order permitting such discovery. The

order may be made only on motion for good cause shown and upon notice to all persons having an interest, and ~~must it shall~~ specify the time, place, manner, conditions, and scope of the discovery. ~~Such court may,~~ In order to protect against annoyance, embarrassment, or oppression, as justice requires, ~~the court may~~ enter an order refusing discovery or specifying conditions of discovery and may order payments of costs and expenses of the proceeding, including reasonable fees for the appearance of attorneys at the proceedings, as justice requires.

(e) Notice to an insurer of the existence of a claim ~~may shall~~ not be unreasonably withheld by an insured.

(f) *In a dispute between the insured and the insurer, or between an assignee of the insured's rights and the insurer, the insurer must notify the insured or the assignee that the policy limits under this section have been reached within 15 days after the limits have been reached.*

(8) APPLICABILITY OF PROVISION REGULATING ATTORNEY ATTORNEYS FEES.—

(a) With respect to any dispute under the provisions of ss. 627.730-627.7405 between the insured and the insurer, or between an assignee of an insured's rights and the insurer, the provisions of ss. ~~6~~ 627.428 and 768.79 ~~shall~~ apply, except as provided in subsections (10) and (15), *and except that any attorney fees recovered must:*

1. *Comply with prevailing professional standards;*
2. *Ensure that the attorney fees for work performed by an attorney does not duplicate work performed by a paralegal or legal assistant; and*
3. *Not overstate or inflate the number of hours reasonably necessary for a case of comparable skill or complexity.*

(b) *Notwithstanding s. 627.428 and this subsection, it shall be presumed that any attorney fees awarded under ss. 627.730-627.7405 are calculated without regard to a contingency risk multiplier. This presumption may be overcome only if the court makes findings of fact based upon competent evidence in the record which establishes that:*

1. *The party requesting the multiplier would have faced substantial difficulties finding competent counsel to pursue the case in the relevant market but for the consideration of a fee multiplier;*
2. *Consideration of a fee multiplier was a necessary incentive to obtain competent counsel to pursue the case;*
3. *The claim would not be economically feasible to hire an attorney on a noncontingent, fixed-fee basis;*
4. *The attorney was unable to mitigate the risk of nonpayment of attorney fees in any other way; and*
5. *The use of a multiplier is justified based on factors such as the amount of risk undertaken by the attorney at the outset of the case, the results obtained, and the type of fee arrangement between the attorney and client.*

(c) *Paragraph (b) does not apply to a case where class action status has been sought or granted, and a contingency risk multiplier may be applied in such cases notwithstanding paragraph (b).*

(d) *Upon the request of either party, a judge must make written findings, substantiated by evidence presented at trial or any hearings associated with the trial, that an award of attorney fees complies with this subsection.*

The insurer may provide an option to an insured to use a preferred provider at the time of ~~purchasing purchase of~~ the policy for personal injury protection benefits, if the requirements of this

subsection are met. If the insured elects to use a provider who is not a preferred provider, whether the insured purchased a preferred provider policy or a nonpreferred provider policy, the medical benefits provided by the insurer shall be as required by this section. If the insured elects to use a provider who is a preferred provider, the insurer may pay medical benefits in excess of the benefits required by this section and may waive or lower the amount of any deductible that applies to such medical benefits. If the insurer offers a preferred provider policy to a policyholder or applicant, it must also offer a nonpreferred provider policy. The insurer shall provide each ~~insured policyholder~~ with a current roster of preferred providers in the county in which the insured resides at the time of purchase of such policy, and shall make such list available for public inspection during regular business hours at the ~~insurer's~~ principal office of the insurer within the state.

A completed form satisfying the requirements of paragraph (5)(d) or the lost-wage statement previously submitted may be used as the itemized statement. To the extent that the demand involves an insurer's withdrawal of payment under paragraph (7)(a) for future treatment not yet rendered, the claimant shall attach a copy of the insurer's notice withdrawing such payment and an itemized statement of the type, frequency, and duration of future treatment claimed to be reasonable and medically necessary.

(c) Each notice required by this subsection must be delivered to the insurer by United States certified or registered mail, return receipt requested, ~~or by electronic mail~~. Such postal costs shall be reimbursed by the insurer if ~~so~~ requested by the claimant in the notice, when the insurer pays the claim. Such notice must be sent to the person and address specified by the insurer for the purposes of receiving notices under this subsection. In the absence of clear and convincing evidence to the contrary, it shall be presumed that the expected impact of the act will result in at least a 25 percent reduction in the rates in effect for such insurance on December 31, 2012. It is the intent of the Legislature that the office design the data call with the expectation that the Legislature will use the data to help evaluate market conditions relating to the Florida Motor Vehicle No-Fault Law and the impact on the market of reforms to the law made by this act. A charter school that reemploys such teachers is subject to the retirement contribution required by subparagraph 2.

2. The employment of a retiree or DROP participant of a state-administered retirement system does not affect the average final compensation or years of creditable service of the retiree or DROP participant. Before July 1, 1991, upon employment of any person, other than an elected officer as provided in s. 121.053, who is retired under a state-administered retirement program, the employer shall pay retirement contributions in an amount equal to the unfunded actuarial liability portion of the employer contribution which would be required for regular members of the Florida Retirement System. Effective July 1, 1991, contributions shall be made as provided in s. 121.122 for retirees who have renewed membership or, as provided in subsection (13), for DROP participants.

3. Any person who is holding an elective public office which is covered by the Florida Retirement System and who is concurrently employed in nonelected covered employment may elect to retire while continuing employment in the elective public office if he or she terminates his or her nonelected covered employment. Such person shall receive his or her retirement benefits in addition to the compensation of the elective office without regard to the time limitations otherwise provided in this subsection. A person who seeks to exercise the provisions of this subparagraph as they existed before May 3, 1984, may not be deemed to be retired under those provisions, unless such person is eligible to retire under this subparagraph, as amended by chapter 84-11, Laws of Florida.

(c) Any person whose retirement is effective on or after July 1, 2010, or whose participation in the Deferred Retirement Option Program terminates on or after July 1, 2010, who is retired under this chapter, except under the disability retirement provisions of subsection (4) or as provided in s. 121.053, may be reemployed by an employer that participates in a state-administered retirement system and receive retirement benefits and compensation from that employer. However, a person may not be reemployed by an employer participating in the Florida Retirement System before meeting the definition of termination in s. 121.021 and may not receive both a salary from the employer and retirement benefits for 6 calendar months after meeting the definition of termination, *except as provided in paragraph (f)*. However, a DROP participant shall continue employment and receive a salary during the period of participation in the Deferred Retirement Option Program, as provided in subsection (13).

1. The reemployed retiree may not renew membership in the Florida Retirement System.

2. The employer shall pay retirement contributions in an amount equal to the unfunded actuarial liability portion of the employer contribution that would be required for active members of the Florida Retirement System in addition to the contributions required by s. 121.76.

3. A retiree initially reemployed in violation of this paragraph and an employer that employs or appoints such person are jointly and severally liable for reimbursement of any retirement benefits paid to the retirement trust fund from which the benefits were paid, including the Florida Retirement System Trust Fund and the Public Employee Optional Retirement Program Trust Fund, as appropriate. The employer must have a written statement from the employee that he or she is not retired from a state-administered retirement system. A retiree employed in violation of this subsection and an employer that employs or appoints such person are jointly and severally liable for reimbursement of any benefits paid to the retirement trust fund from which the benefits were paid. The employer must have a written statement from the retiree that he or she is not retired from a state-administered retirement system.

(e) The limitations of this subsection apply to reemployment in any capacity irrespective of the category of funds from which the person is compensated, *except as provided in paragraph (f)*.

(f) *Effective July 1, 2012, a retired justice or retired judge who has reached his or her normal retirement age or date and consents to temporary employment as a senior judge in any court, as assigned by the Chief Justice of the Supreme Court in accordance with s. 2, Art. V of the State Constitution, is not subject to paragraph (c), paragraph (d), or paragraph (e).*

Section 5. Paragraph (a) of subsection (1) of section 121.591, Florida Statutes, is amended to read:

121.591 Payment of benefits.—Benefits may not be paid under the Florida Retirement System Investment Plan unless the member has terminated employment as provided in s. 121.021(39)(a) or is deceased and a proper application has been filed as prescribed by the state board or the department. Before termination of employment, benefits, including employee contributions, are not payable under the investment plan for employee hardships, unforeseeable emergencies, loans, medical expenses, educational expenses, purchase of a principal residence, payments necessary to prevent eviction or foreclosure on an employee's principal residence, or any other reason prior to termination from all employment relationships with participating employers. The state board or department, as appropriate, may cancel an application for retirement benefits if the member or beneficiary fails to timely provide the information and documents required by this chapter and the rules of the state board and department. In accordance with their respective responsibilities, the state board and the department shall adopt rules establishing procedures for application for retirement benefits and for the cancellation of such application if the required information or documents are not received. The state board and the department, as appropriate, are authorized to cash out a de minimis account of a member who has been terminated from Florida Retirement System covered employment for a minimum of 6 calendar months. A de minimis account is an account containing employer and employee contributions and accumulated earnings of not more than \$5,000 made under the provisions of this chapter. Such cash-out must be a complete lump-sum liquidation of the account balance, subject to the provisions of the Internal Revenue Code, or a lump-sum direct rollover distribution paid directly to the custodian of an eligible retirement plan, as defined by the Internal Revenue Code,

on behalf of the member. Any nonvested accumulations and associated service credit, including amounts transferred to the suspense account of the Florida Retirement System Investment Plan Trust Fund authorized under s. 121.4501(6), shall be forfeited upon payment of any vested benefit to a member or beneficiary, except for de minimis distributions or minimum required distributions as provided under this section. If any financial instrument issued for the payment of retirement benefits under this section is not presented for payment within 180 days after the last day of the month in which it was originally issued, the third-party administrator or other duly authorized agent of the state board shall cancel the instrument and credit the amount of the instrument to the suspense account of the Florida Retirement System Investment Plan Trust Fund authorized under s. 121.4501(6). Any amounts transferred to the suspense account are payable upon a proper application, not to include earnings thereon, as provided in this section, within 10 years after the last day of the month in which the instrument was originally issued, after which time such amounts and any earnings attributable to employer contributions shall be forfeited. Any forfeited amounts are assets of the trust fund and are not subject to chapter 717.

(1) NORMAL BENEFITS.—Under the investment plan:

(a) Benefits in the form of vested accumulations as described in s. 121.4501(6) are payable under this subsection in accordance with the following terms and conditions:

1. Benefits are payable only to a member, an alternate payee of a qualified domestic relations order, or a beneficiary.

2. Benefits shall be paid by the third-party administrator or designated approved providers in accordance with the law, the contracts, and any applicable board rule or policy.

3. The member must be terminated from all employment with all Florida Retirement System employers, as provided in s. 121.021(39).

4. Benefit payments may not be made until the member has been terminated for 3 calendar months, except that the state board may authorize by rule for the distribution of up to 10 percent of the member's account after being terminated for 1 calendar month if the member has reached the normal retirement date as defined in s. 121.021. *Effective July 1, 2012, a retired justice or retired judge who has consented to temporary employment as a senior judge in any court pursuant to s. 25.073 may receive a regular distribution of his or her account as provided in this paragraph after providing proof of termination from his or her regularly established position.*

5. If a member or former member of the Florida Retirement System receives an invalid distribution, such person must either repay the full amount within 90 days after receipt of final notification by the state board or the third-party administrator that the distribution was invalid, or, in lieu of repayment, the member must terminate employment from all participating employers. If such person fails to repay the full invalid distribution within 90 days after receipt of final notification, the person may be deemed retired from the investment plan by the state board and is subject to s. 121.122. If such person is deemed retired, any joint and several liability set out in s. 121.091(9)(d)2. is void, and the state board, the department, or the employing agency is not liable for gains on payroll contributions that have not been deposited to the person's account in the investment plan, pending resolution of the invalid distribution. The member or former member who has been deemed retired or who has been determined by the state board to have taken an invalid distribution may appeal the agency decision through the complaint process as provided under s. 121.4501(9)(g)3. As used in this subparagraph, the term "invalid distribution" means any distribution from an account in the investment plan which is taken in violation of this section, s. 121.091(9), or s. 121.4501.

Section 6. (1) *Effective July 1, 2012, in order to fund the benefit changes provided in this act, the required employer contribution rates of the Florida Retirement System established in s. 121.71(4), Florida Statutes, shall be adjusted as follows:*

(a) *Elected Officers' Class for Justices and Judges shall be increased by 0.45 percentage points; and*

(b) *Deferred Retirement Option Program shall be increased by 0.01 percentage points.*

(2) *Effective July 1, 2012, in order to fund the benefit changes provided in this act, the required employer contribution rates for the unfunded actuarial liability of the Florida Retirement System established in s. 121.71(5), Florida Statutes, for the Elected Officers' Class for Justices and Judges shall be increased by 0.91 percentage points.*

(3) *The adjustments provided in subsections (1) and (2) shall be in addition to all other changes to such contribution rates which may be enacted into law to take effect on July 1, 2012, and July 1, 2013. The Division of Statutory Revision is requested to adjust accordingly the contribution rates provided in s. 121.71, Florida Statutes.*

Section 7. *The Legislature finds that a proper and legitimate state purpose is served when employees and retirees of the state and its political subdivisions, and the dependents, survivors, and beneficiaries of such employees and retirees, are extended the basic protections afforded by governmental retirement systems that provide fair and adequate benefits and that are managed, administered, and funded in an actuarially sound manner as required by s. 14, Article X of the State Constitution and part VII of chapter 112, Florida Statutes. Therefore, the Legislature determines and declares that this act fulfills an important state interest.*

Section 8. *Section 1 and sections 3 through 7 of this act shall take effect only if:*

(1) *The Legislature appropriates during the 2012 Legislative Session the sum of at least \$1.6 million from the General Revenue Fund on a recurring basis to the judicial branch in order to fund the increased employer contributions associated with the costs of the retirement benefits granted in this act; and*

(2) *The State Courts Administrator certifies to the President of the Senate and the Speaker of the House of Representatives that the appropriation was made and that the appropriation was not vetoed by the Governor.*

Section 9. Except as otherwise expressly provided in this act and except for this section, which shall take effect upon this act becoming a law, this act shall take effect July 1, 2012.

And the title is amended as follows:

Delete everything before the enacting clause and insert: A bill to be entitled An act relating to justices and judges; amending s. 25.073, F.S.; providing that, for a retired justice or retired judge who has consented to temporary duty in any court, the definition of the term "termination" in ch. 121, F.S., does not apply, and termination occurs when the retired justice or judge ceases all nontemporary, active duty as a judge and retires from the Florida Retirement System; amending s. 43.291, F.S.; revising requirements for the appointment of members of judicial nominating commissions; providing that, with the exception of members selected from a list of nominees provided by the Board of Governors of The Florida Bar, a current member of a judicial nominating commission appointed by the Governor serves at the pleasure of the Governor; providing staggered terms for members of a judicial nominating commission; deleting obsolete provisions; deleting a requirement that the Executive Office of the Governor establish uniform rules of procedure consistent with the State Constitution when suspending for cause a member of a judicial nominating commission; amending s. 121.021, F.S.; revising the definition of the term "termination," to conform to changes made by the act; amending s. 121.091, F.S.; providing that a retired justice or retired judge who has reached his or her normal retirement age or date and consents to temporary employment as a senior judge in any court, as assigned by the Chief Justice of the Supreme Court, is not subject to certain specified limitations on employment after retirement; amending s. 121.591, F.S.; providing that a retired justice or retired judge who has consented to temporary employment as a senior judge in any court may receive a regular distribution of his or her retirement benefits account after providing proof of termination from his or her regularly established position; providing that, in order to fund the benefit changes set forth in the act, the required employer contribution rates of the Florida Retirement System, and the required employer contribution rates for the unfunded actuarial liability of the Florida Retirement System, are increased by specified amounts; providing a statement of important state interest; providing that specified provisions of the act relating to retired justices and judges take effect only if the Legislature appropriates sufficient funds and the State Courts Administrator certi-

Senator Gaetz moved the following amendment which was adopted:

Amendment 1 (408312) (with title amendment)—Delete everything after the enacting clause and insert:

Section 1. 155.40, Florida Statutes, is amended to read:

155.40 Sale or lease of county, district, or municipal hospital; effect of sale.—

(1) *In the interest of providing quality health care services to the order that citizens and residents of this the state may receive quality health care, and notwithstanding any other provision of general or special law, a any county, district, or municipal hospital organized and existing under the laws of this state, acting by and through its governing board, may shall have the authority to sell or lease the such hospital to a for-profit or not-for-profit Florida entity corporation, and enter into leases or other contracts with a for-profit or not-for-profit Florida entity corporation for the purpose of operating the and managing such hospital and any or all of its facilities of whatsoever kind and nature. The term of any such lease, contract, or agreement and the conditions, covenants, and agreements to be contained therein shall be determined by the governing board of the such county, district, or municipal hospital. The governing board of the hospital must find that the sale, lease, or contract is in the best interests of the affected community public and must state the basis of that such finding. If the governing board of a county, district, or municipal hospital decides to lease the hospital, it must give notice in accordance with paragraph (4)(a) or paragraph (4)(b).*

(2) A ~~Any such~~ lease, contract, or agreement made pursuant hereto shall:

(a) Provide that the articles of incorporation of ~~the such~~ for-profit or not-for-profit corporation be subject to the approval of the board of directors or board of trustees of ~~the such~~ hospital;

(b) Require that any not-for-profit corporation become qualified under s. 501(c)(3) of the United States Internal Revenue Code;

(c) Provide for the orderly transition of the operation and management of ~~the such~~ facilities;

(d) Provide for the return of ~~the such~~ facility to the county, municipality, or district upon the termination of ~~the such~~ lease, contract, or agreement; and

(e) Provide for the continued treatment of indigent patients pursuant to the Florida Health Care Responsibility Act and pursuant to chapter 87-92, Laws of Florida.

(3) Any sale, lease, or contract entered into pursuant to this section ~~before~~ ~~prior to~~ the effective date of this act must have complied with the requirements of subsection (2) in effect at the time of the sale, lease, or contract. It is the intent of the Legislature that this section ~~does~~ not impose any further requirements with respect to the formation of any for-profit or not-for-profit Florida ~~entity corporation~~, the composition of the board of directors of any Florida ~~entity corporation~~, or the manner in which control of the hospital is transferred to the Florida ~~entity corporation~~.

(4) *As used in this section, the term:*

(a) “Affected community” means those persons residing within the geographic boundaries defined by the charter of the county, district, or municipal hospital or health care system, or if the boundaries are not specifically defined by charter, by the geographic area from which 75 percent of the county, district, or municipal hospital’s or health care system’s inpatient admissions are derived.

(b) “Fair market value” means the price that a seller or lessor is willing to accept and a buyer or lessee is willing to pay on the open market and in an arms-length transaction, or what an independent expert in hospital valuation determines the fair market value to be.

(c) “Interested party” includes a person submitting a proposal for sale or lease of the county, district, or municipal hospital or health care system, as well as the governing board.

(5) The governing board of a county, district, or municipal hospital or health care system shall commence an evaluation of the possible benefits to an affected community from the sale or lease of hospital facilities owned by the board to a not-for-profit or for-profit entity no later than December 31, 2012. In the course of evaluating the benefits of the sale or lease, the board shall:

(a) Conduct a public hearing to provide interested persons the opportunity to be heard on the matter.

(b) Publish notice of the public hearing in one or more newspapers of general circulation in the county in which the majority of the physical assets of the hospital or health care system are located and in the Florida Administrative Weekly at least 15 days before the hearing is scheduled to occur.

(c) Contract with a certified public accounting firm or other firm that has substantial expertise in the valuation of hospitals to render an independent valuation of the hospital’s fair market value.

(d) Consider an objective operating comparison between a hospital or health care system operated by the district, county, or municipality and other similarly situated hospitals, both not-for-profit and for-profit, which have a similar service mix, in order to determine whether there is a difference in the cost of operation using publicly available data provided by the Agency for Health Care Administration and the quality metrics identified by the Centers for Medicare and Medicaid Services Core Measures. The comparison must determine whether it is more beneficial to taxpayers and the affected community for the hospital to be operated by a governmental entity, or whether the hospital can be operated by a not-for-profit or for-profit entity with similar or better cost-efficiencies or measurable outcomes identified by the Centers for Medicare and Medicaid Services Core Measures. The comparison must also determine whether

there is a net benefit to the community to operate the hospital as a not-for-profit or for-profit entity and use the proceeds of the sale or lease for the purposes described in this section.

(e) Make publicly available all documents considered by the board in the course of such evaluation.

1. Within 160 days after the initiation of the process established in subsection (5), the governing board shall publish notice of the board's findings in one or more newspapers of general circulation in the county in which the majority of the physical assets of the hospital are located and in the Florida Administrative Weekly.

2. This evaluation is not required if a district, county, or municipal hospital has issued a public request for proposals for the sale or lease of a hospital on or before February 1, 2012, for the purpose of receiving proposals from qualified purchasers or lessees, either not-for-profit or for-profit.

(6)(4) If, upon completion of the evaluation of the benefits of the sale or lease, ~~in the event~~ the governing board of a county, district, or municipal hospital determines that it is no longer in the best interest of the affected community to own or operate a hospital or health care system and elects to consider a sale or lease of the hospital or health care system to a third party, the governing board must first determine whether there are any qualified purchasers or lessees. In the process of evaluating any qualified purchaser or lessee ~~elects to sell or lease the hospital~~, the board shall:

(a) ~~Negotiate the terms of the sale or lease with a for-profit or not-for-profit Florida corporation and~~ Publicly advertise the meeting at which the proposed sale or lease will be considered by the governing board of the hospital in accordance with s. 286.0105; or

(b) Publicly advertise the offer to accept proposals in accordance with s. 255.0525 and receive proposals from all ~~interested and~~ qualified purchasers and lessees.

Any sale or lease must be for fair market value, or, if not for fair market value, the lease must be in the best interest of the affected community. A ~~and any~~ sale or lease must comply with all applicable state and federal antitrust laws.

(7) A determination by the governing board to accept a proposal for sale or lease shall be made after consideration of all proposals received and negotiations with a qualified purchaser or lessee. The governing board's determination must include, in writing, detailed findings of all reasons for accepting the proposal.

(a) The governing board's acceptance of a proposal for sale or lease must include a description of how the sale or lease satisfies each of the following requirements:

1. The sale or lease represents fair market value, as determined by a certified public accounting firm or other qualified firm pursuant to subsection(5). If leased at less than fair market value, the governing board shall provide a detailed explanation of how the best interests of the affected community are served by the acceptance of less than fair market value for the lease of the hospital.

2. Acceptance of the proposal will result in a reduction or elimination of ad valorem or other taxes for taxpayers in the district, if applicable.

3. The proposal includes an enforceable commitment that programs and services and quality health care will continue to be provided to all residents of the affected community, particularly to the indigent, the uninsured, and the underinsured.

4. Disclosure has been made of all conflicts of interest, including, but not limited to, whether the sale or lease of the hospital or health care system would result in a special private gain or loss to members of the governing board or key management employees or members of the medical staff of the county, district, or municipal hospital, or if governing board members will be serving on the board of any successor private corporation. Conflicts of interest, if any, with respect to experts retained by the governing board shall also be disclosed.

5. Disclosure has been made by the seller or lessor of all contracts with physicians or other entities providing health care services through a contract with the seller or lessor, including all agreements or contracts

that would be void or voidable upon the consummation of the sale or lease.

6. The proposal is in compliance with subsections (8) and (9).

(b) The findings must be accompanied by all information and documents relevant to the governing board's determination, including, but not limited to:

1. The names and addresses of all parties to the transaction.

2. The location of the hospital or health care system and all related facilities.

3. A description of the terms of all proposed agreements.

4. A copy of the proposed sale or lease agreement and any related agreements, including, but not limited to, leases, management contracts, service contracts, and memoranda of understanding.

5. The estimated total value associated with the proposed agreement and the proposed acquisition price.

6. Any valuations of the hospital's or health care system's assets prepared during the 3 years immediately preceding the proposed transaction date.

7. The fair market value analysis required by paragraph (5)(c), or any other valuation prepared at the request of the board, owner of the hospital or health care system, or managing entity of the hospital or health care system.

8. Copies of all other proposals and bids that the governing board may have received or considered in compliance with subsection (6).

(8) Within 120 days before the anticipated closing date of the proposed transaction, the governing board shall make publicly available all findings and documents required under subsection (7) and publish a notice of the proposed transaction in one or more newspapers of general circulation in the county in which the majority of the physical assets of the hospital or health care system are located. The notice must include the names of the parties involved and the means by which a person may submit written comments about the proposed transaction to the governing board and obtain copies of the findings and documents required under subsection (7).

(9) Within 20 days after the date of publication of the public notice, any person may submit to the governing board written comments regarding the proposed transaction.

(10) The sale or lease of the hospital or health care system is subject to approval by the Secretary of Health Care Administration or his or her designee, except, if otherwise required by law, approval of the sale or lease shall exclusively be by majority vote of the registered voters in the county, district, or municipality in which the hospital or health care system is located.

(a) The governing board shall file a petition with the Secretary of Health Care Administration seeking approval of the proposed transaction at least 30 days after publication of the notice of the proposed transaction.

(b) The petition for approval filed by the governing board must include all findings and documents required under subsection (7) and certification by the governing board of compliance with all requirements of this section. The chair of the governing board must certify under oath and subject to the penalty of perjury on a form accompanying the petition that the contents of the petition and representations therein are true and correct.

(11) Within 30 days after receiving the petition, the Secretary of Health Care Administration or his or her designee shall issue a final order approving or denying the proposed transaction based solely upon consideration of whether the procedures contained within this section have been followed by the governing board of the county, district, or municipal hospital or health care system. The order shall require the governing board to accept or reject the proposal for the sale or lease of the county, district, or municipal hospital or health care system based upon a determination that:

- (a) The proposed transaction is permitted by law.
- (b) The proposed transaction does not unreasonably exclude a potential purchaser or lessee on the basis of being a for-profit or a not-for-profit Florida corporation or other form of business organization, such as a partnership or limited liability company.
- (c) The governing board of the hospital or health care system publicly advertised the meeting at which the proposed transaction was considered by the board in compliance with s. 286.0105.
- (d) The governing board of the hospital or health care system publicly advertised the offer to accept proposals in compliance with s. 255.0525.
- (e) Any conflict of interest was disclosed, including, but not limited to, how the proposed transaction could result in a special private gain or loss to members of the governing board or key management employees of the county, district, or municipal hospital, or if governing board members will be serving on the board of any successor private corporation. Conflicts of interest, if any, with respect to experts retained by the governing board shall also be disclosed.
- (f) The seller or lessor documented that it will receive fair market value for the sale or lease of the assets as indicated in paragraph (5)(c) or, if leased at less than fair market value, the governing board provided a detailed explanation of how the best interests of the affected community are served by the acceptance of less than fair market value for the lease of the hospital or health care system.
- (g) The acquiring entity has made an enforceable commitment that programs and services and quality health care will continue to be provided to all residents of the affected community, particularly to the indigent, the uninsured, and the underinsured.
- (h) The governing board disclosed whether the sale or lease will result in a reduction or elimination of ad valorem or other taxes used to support the hospital.
- (12) Any interested party to the action has the right to seek judicial review of the decision in the appellate district where the hospital is located or in the First District Court of Appeal pursuant to s. 120.68.
- (a) All proceedings shall be instituted by filing a notice of appeal in accordance with the Florida Rules of Appellate Procedure within 30 days after the date of the final order.
- (b) In such judicial review, the appellate court shall affirm the decision of the Secretary of Health Care Administration, unless the decision by the Secretary of Health Care Administration is shown to be clearly erroneous.
- (13) All costs shall be paid by the governing board, unless an interested party contests the action, in which case the court may assign costs equitably to the parties.
- (14) If any provision of subsection (5), subsection (6), or subsection (7) is not followed, the contract for sale or lease is voidable by any party to the contract. If any member of the governing board negligently or willfully violates subsection (5), subsection (6), or subsection (7), as determined by the Commission on Ethics after receipt of a sworn complaint pursuant to s. 112.322, the member is subject to a penalty, as determined by the Commission on Ethics pursuant to s. 112.317.
- (15) If a county, district, or municipal hospital is sold, any and all special district tax authority associated with the hospital subject to the sale shall cease on the effective date of the closing date of the sale. Any special law inconsistent with this subsection is superseded by this act.
- (16) If a county, district, or municipal hospital is sold or leased, the governing board shall:
- (a) Deposit 50 percent of the net proceeds of the sale or lease into a health care economic development trust fund, which shall be under the control of the county commission of the county in which the property is located, if the hospital is a county hospital or district hospital whose geographic boundaries extend beyond a single municipality, or, if the hospital is a municipal hospital or district hospital whose geographic boundaries lie entirely within a single municipality, under the control of the city or municipal government in which the hospital is located. The use

and distribution of the funds shall be at the discretion of a majority of the county commission if the hospital is a county hospital or district hospital whose geographic boundaries extend beyond a single municipality, or, if the hospital is a municipal hospital or district hospital whose geographic boundaries lie entirely within a single municipality, at the discretion of a majority of the members of the municipal government. The members of the county commission or the municipal government, depending on the type of hospital being sold, shall serve as trustees of the trust fund. The net proceeds in the health care economic development trust fund shall be distributed, in consultation with the Department of Economic Opportunity, to promote job creation in the health care sector of the economy through new or expanded health care business development, new or expanded health care services, or new or expanded health care education programs or commercialization of health care research within the affected community; and

(b) Appropriate 50 percent of the net proceeds of the sale or lease for funding the delivery of indigent care, including but not limited to primary care, physician specialty care, out-patient care, in-patient care and behavioral health, to hospitals within the boundaries of the district with consideration given to the levels of indigent care provided.

For the purposes of this subsection, the term "net proceeds" means the sale price after payment of all district debts and obligations.

(17) If a county, district, or municipal hospital or health care system is sold or leased to a for-profit corporation or other business entity subject to local taxation, the resulting county and municipal ad valorem tax revenue from the formerly tax-exempt property shall be distributed by the county commission of the county in which the property is located, if the hospital is a county hospital or district hospital whose geographic boundaries extend beyond a single municipality, or, if the hospital is a municipal hospital or district hospital whose geographic boundaries lie entirely within a single municipality, such ad valorem tax revenues shall be distributed by the municipal government. The distribution of such ad valorem tax revenues shall be made in consultation with the Department of Economic Opportunity, for purposes set forth in subsection (16).

(18)(5) ~~If in the event~~ a hospital operated by a for-profit or not-for-profit Florida entity ~~corporation~~ receives annually more than \$100,000 in revenues from the county, district, or municipality that owns the hospital, the Florida entity ~~corporation~~ must be accountable to the county, district, or municipality with respect to the manner in which the funds are expended by either:

- (a) Having the revenues subject to annual appropriations by the county, district, or municipality; or
- (b) Where there is a contract to provide revenues to the hospital, the term of which is longer than 12 months, the governing board of the county, district, or municipality must be able to modify the contract upon 12 months notice to the hospital.

A not-for-profit entity ~~corporation~~ that is subject to this subsection and ~~that~~ does not currently comply with the accountability requirements in this subsection shall have 12 months after the effective date of this act to modify any contracts with the county, district, or municipality in a manner that is consistent with this subsection.

(19)(6) Unless otherwise expressly stated in the lease documents, the transaction involving the sale or lease of a hospital ~~may shall~~ not be construed as:

- (a) A transfer of a governmental function from the county, district, or municipality to the private purchaser or lessee;
- (b) Constituting a financial interest of the public lessor in the private lessee; or
- (c) Making a private lessee an integral part of the public lessor's decisionmaking process.

(20)(7) The lessee of a hospital, under this section or any special act of the Legislature, operating under a lease ~~may shall~~ not be construed to be "acting on behalf of" the lessor as that term is used in statute, unless the lease document expressly provides to the contrary.

(21)(8)(a) If, whenever the sale of a public hospital by a public agency to a private ~~corporation or other private~~ entity pursuant to this section or pursuant to a special act of the Legislature reflects that:

1. The private ~~corporation or other private~~ entity purchaser acquires 100 percent ownership in the hospital enterprise;
2. The private ~~corporation or other private~~ entity purchases the physical plant of the hospital facility and has complete responsibility for the operation and maintenance of the facility, regardless of ownership of the underlying real property;
3. The public agency seller retains no control over decisionmaking or policymaking for the hospital;
4. The private ~~corporation or other private~~ entity purchaser receives no funding from the public agency seller other than by contract for services rendered to patients for whom the public agency seller has the responsibility to pay for hospital or medical care;
5. The public agency seller makes no substantial investment in or loans to the private entity;
6. The private ~~corporation or other private~~ entity purchaser was not created by the public entity seller; and
7. The private ~~corporation or other private~~ entity purchaser operates primarily for its own financial interests and not primarily for the interests of the public agency,

such a sale shall be considered a complete sale of the public agency's interest in the hospital or health care system.

(b) A complete sale of a hospital or health care system as described in this subsection ~~may~~ shall not be construed as:

1. A transfer of a governmental function from the county, district, or municipality to the private ~~corporation or other private~~ entity purchaser;
2. Constituting a financial interest of the public agency in the private ~~corporation or other private~~ entity purchaser;
3. Making the private ~~corporation or other private~~ entity purchaser an "agency" as that term is used in statutes;
4. Making the private ~~corporation or other private~~ entity purchaser an integral part of the public agency's decisionmaking process; or
5. Indicating that the private ~~corporation or other private~~ entity purchaser is "acting on behalf of a public agency" as that term is used in statute.

(22) *If the governing board elects to sell or lease the physical property of a county, district, or municipal hospital or health care system and such property generated less than 20 percent of the hospital's net revenue within the hospital's or health care system's most recent fiscal year, the sale or lease of such property is exempt from the requirements under subsections (6)-(17). However, the governing board shall publicly advertise the meeting at which the proposed sale or lease of such property will be considered by the governing board of the hospital in accordance with s. 286.0105 or publicly advertise the offer to accept proposals in accordance with s. 255.0525 and receive proposals from all qualified purchasers and lessees. The sale or lease of the property must be for fair market value or, if a lease is for less than fair market value, the lease must be in the best interest of the affected community.*

(23) *A county, district, or municipal hospital or health care system that is under lease as of the effective date of this act is not subject to subsections (5)-(17) as long as that lease remains in effect in accordance with the terms of the lease or such lease is modified, extended, or renewed. However, such hospital or health care system becomes subject to the provisions of this act upon:*

(a) *Termination of the lease, unless the lease termination is the direct result of a new lease involving a partnership, transaction, or contract in which both the existing lessor and lessee agree to the new lease between the lessor and another mutually agreed upon entity;*

(b) *Notification provided to the lessee of a planned termination of the lease in accordance with the lease terms, unless the notification of lease termination is the direct result of a new lease involving a partnership, transaction, or contract in which both the existing lessor and lessee agree to the new lease between the lessor and another mutually agreed upon entity;*

(c) *Notification to the lessee that upon termination of the lease the lessor plans to seek potential new lessees or buyers; or*

(d) *Notification to the lessee that the lessor plans to resume operation of the hospital or health care system at the termination of the lease.*

Any such hospital or health care system may not thereafter be sold, leased to another lessee, or operated by the owner without first complying with this section.

(24) *A county, district, or municipal hospital or health care system that has executed a letter of intent to sell or lease the hospital or health care system accepted at a properly noticed public meeting, and whose governing board has voted to approve the letter of intent before December 31, 2011, is not subject to subsections (6)-(17) as long as the final closing of the sale or lease transaction pursuant to the letter of intent occurs before December 31, 2012.*

(25) *Notwithstanding subsection (24), a county, district, or municipal hospital or health care system that has issued a request for proposals for the sale or lease of a hospital or health care system on or before February 1, 2012, in order to receive proposals from not-for-profit or for-profit qualified purchasers or lessees, is not subject to subsections (5)-(17) unless such request for proposals does not directly result in a sale or lease of the hospital or health care system to a qualified purchaser or lessee on or before December 31, 2012.*

Section 2. Section 155.401, Florida Statutes, is created to read:

155.401 *Power of special taxing district to appropriate proceeds from sale or lease of hospital or health care system to economic development trust fund.—Notwithstanding any other general or special law, the purposes for which a special taxing district may appropriate funds from the sale or lease of a hospital or health care system to an economic development fund include the promotion and support of economic growth in such district and in the county in which such district is located and the furthering of the purposes of such district, as provided by law.*

Section 3. *To the extent that any general or special law is inconsistent with or otherwise in conflict with this act, such conflicting provisions are specifically superseded by this act. A special tax district, public hospital, or municipal hospital is not exempt from this act.*
